ORDER:-

In the letter read above, the Commissioner of Prohibition and Excise has stated that at present there are (1448) Bars functioning all over the State. He has suggested that new bar licences may be granted to fill the gaps caused by non-renewal / cancellation of the existing Bars, if any.

Government, after careful examination of the matter, issue the following policy guidelines for replacement of bars whose licences were not renewed / cancelled during 2009-2010 in the Municipalities / Municipal Corporations:-

- (i). The gaps that have been caused due to non-renewal/cancellation of bar in existence during 2009-2010 may be assessed as on 31.07.2010 and the Commissioner of Prohibition and Excise may notify such gaps inviting applications for grant of prior clearance giving a minimum of (7) days time for filing applications as required under Andhra Pradesh Excise (Grant of licence of selling by Bar and conditions of licence) Rules, 2005.
- (ii). The Commissioner of Prohibition and Excise, on the appointed date (as notified) may grant prior clearance by way of drawal of lots when there is more than one eligible applicant for establishing the Bar in the gap areas in the presence of all the applicants.
- (iii). All existing valid applications for prior clearance for establishment of bars pending with the Commissioner shall also be taken into consideration and given liberty to participate in the drawal of lots, if required, for filling 'up' the gaps as notified by the Commissioner of Prohibition and Excise. Filing of fresh applications in such cases need not be insisted upon.
